Howard Kothe, Esq.
Watson, Leavenworth, Kelton & Taggart
100 Park Avenue
New York, N.Y. 10017

Dear Howard:

I hope the enclosed report helps to convey some of the history of the Delta Project and the unanticipated events which led to the proposed smoking articles.

If you feel that you could use copies of any of the references or clarification of any aspects of the process described, please feel free to give me a call.

After you have had time to evaluate our position, we will be looking forward to any advice you may have.

Sincerely,

Harry
